Sir,

I have the honor to enclose for kind perusal and favourable orders an application received from Mr. B. Muddukrishnappa, Assistant Superintendent in charge of the Survey Head Quarters and Records Office, in which he makes it clear how his remuneration came to be curtailed on his transfer to the Survey Department. The charge of the Survey Head Quarters Office is one that demands of the incumbent the exercise of very great vigilance, tact and good sense in addition to a familiarity with technical details; and I do not stand alone in saying that there is no ~~other~~ establishment under my control that is of greater importance than that of the Head Quarters Office. The late Col. Grant had frequently urged the point to the notice of Government. I can submit without reservation of any kind that Mr. Muddukrishnappa has more than justified the expectations I had formed of him at the time of his joining the Survey Depart-

OFFICE OF THE SUPERINTENDENT
MYSORE REVENUE SURVEY.
No. Rev. 547
DATE 28. 9. 1922.

To :

D. K. Darashah, Esq., B.A.
Superintendent of Revenue Survey and
Inam Settlements in Mysore.

Sir,

I beg to submit the following representation of mine for your kind consideration:--

As Assistant to the Director of Civil Supplies and Food Controller, Government were pleased to permit me to draw my salary at Rs.300 per mensem (Rs.250/- plus Rs.50 Deputation Allowance) from 2nd January 1919 on the kind recommendation of Mr. K. Matthan, Director of Civil Supplies and Food Controller. When I was in charge of the Food Controller's Office for 4 months from January 1921 to end of April 1921 during Mr. Matthan's absence on leave and on his appointment as Chief Secretary to Government, I was permitted to draw salary at Rs.320/- per mensem. From 1st May onwards when I was posted as 2nd Assistant to the Revenue Commissioner in Mysore, I was permitted to draw Rs.250/- pay plus Rs.50 duty allowance and this I continued to draw till the 1st June 22 when I came over to the Revenue Survey Office. Government ordered in their No.7264-7/C.B.257-21-3 dated 27-5-1922 that I might draw salary at Rs.250/- during the period of training. I accordingly drew salary at Rs.250/- till the end of July 1922 and have continued to draw the same till now though on 1st August 1922 you were good enough to place me in charge of the Head Quarter Office.

You are aware, Sir, how responsible and onerous the duties of the Head Quarter Office are, more especially in these days when Settlement work has to be done most expeditiously. As in these days of High prices a reduction of 1/6 of the salary is a great hardship, I beg to request that

you may be good enough to recommend my case to Government for the grant of a duty allowance of Rs.50/-. I may bring to your notice that the Assistant Secretaries to Government, the Assistant Comptrollers, the Assistants to the Heads of Departments and certain other Officers stationed at Bangalore are being given allowances, and since the duties and responsibilities of the Head Quarter Officer are as heavy and great as in the case of the other officers, if not more, and as the same local conditions as apply in the case of these Assistants, apply in the case of ~~me~~ the Head Quarter Officer also, I beg that you may be good enough to recommend me as Head Quarter Officer, for an allowance of Rs.50/- with effect from 1st August 1922 on which date I took charge of the Head Quarter Office.

I beg to remain,

Sir,

Your most obedient servant,

To

Chief Secretary to the Government of H.H. the

Maharaja of Mysore, Bangalore.

Sir,

In continuation of my letter No.131 dated 13-12-1922 ... the grant of a duty allowance to Mr.B.Muddukrishnappa, Assistant Superintendent, Revenue Survey, for holding charge of the Head Quarters & Records office, I have the honor to state that Mr.Muddukrishnappa having urged certain additional points on the subject for consideration, I regard it as proper to lay them before you. The Head Quarters & Records office charge is one which has all along been held by an officer of the rank of Assistant Superintendent, with only a single exception viz. Mr.Y.Nanjundayya, who had however been given the rank and status of an Assistant Commissioner. The marginally noted extracts from letters addressed by my predecessors and myself to Government from time to time(copies appended for kind perusal) all go to show how responsible the charge of this office is, and how each succeeding head of the Department felt strongly that the officer holding charge of such an important office should be remunerated in a special manner. The concessions recommended bythe Superintendent and sanctioned by Government have been either in the shape of additions to pay or the grant of allowances. In the case of Mr.J.L.Mackay, a personal allowance of Rs.30 had been granted, and it was absorbed in the pay when it was raised from Rs.300 to Rs.400. Messrs. Yelio Srinivas and H.Vyasa Rao were given Rs.50 more by being made Assistant Commissioners, and Mr.Nanjundayya was given Rs.50 more by being given the rank and pay of an Assistant Commissioner. Messrs.D.Srinivasa Rao and T.Dharmaraja Chetty who had charge of the office within recent years were of course seniors in the grade of Assistant Commissioners and drew their emoluments in full. As already pointed out by me in my letter referred to above, the charge of the Head Quarters office is a very important

and

and taxing one, and since Mr.Muddukrishnappa was in receipt of a salary of Rs.300 for nearly 3½ years before he came to this Department, it would only be fair to permit him to continue to draw Rs.300 in the Assistant Superintendent's grade, or to grant him a duty allowance of Rs.50 at least as already recommended by me.

I have the honor to be,

Sir,

Your-most obedient servant,

P.N.

Para 2. x x x The duties of the Head Quarter office charge are in fact unusually heavy and important and it would be extremely hard upon Mr.Mackay should his selection for this onerous post militate against promotion which he has so well earned.

Para 5. I beg to state that I consider the duties and responsibilities of the Head Quarters office charge to be very onerous and I should be sorry to see Mr.Mackay placed in a worse position relatively than other Assistants in the Department.

Para 2. As explained in my letter No.232 of the 22nd July 1889 the duties of the Head Quarter office charge are exceedingly heavy and responsible and Mr.Mackay is kept there on account of his special qualifications. x x x x x x x x

4. From letter No.624 dated 13-3-97 to the Secretary to Govt.

Para 4. Mr.Mackay is at present in charge of the Head Quarter office because he is by far the most suitable officer I can find for that charge which is more important, at the present stage of operations than even the charge of a field establishment. x x x

5. From letter No.1251 dated 20/22 June 1904 to the Offg. Secretary to Government, General & Revenue Departments.

Para 5. It would be perfectly legitimate for me to propose, in accordance with para 5 of the Government order of 6th July 1895 that Mr.Mackay's salary should be Rs.450 but I consider this increase incommensurate with the responsibility which circumstances, amongst which his own special qualifications figure largely, have compelled me to throw upon this deserving officer.

Para 6. x x x x and in the present instance the circumstances

circumstances are quite exceptional the charge of the Head Quarter office representing now a position of great labour and responsibility entrusted to an officer of very special qualifications who in every way deserves promotion.

6. From letter No.54 dated 18-6-1907 to the Secretary to Govt.

Para 3. x x x During the short time I have been in executive charge of the Department I have had ample opportunities to observe the conscientious manner in which he (Mr.Mackay) has been discharging his exceptionally arduous duties and the great tact he possesses in efficiently managing a large office with several technical branches where the most important part of the Department is carrided on. x x x x x

Para 4. x x x x Taking into consideration the important, reponsible and daily increasing work of the Head Quarter office, I beg to recommend that Mr.Yello Srinivasa Rao be promoted either to the 4th grade of Assistant Commissioners (Schedule B) or to the 2nd grade of Assistant Superintendents Revenue Survey. x x x x x. I have proposed only a small increase of Rs.50 to his present pay. x x x x

7. From letter No.4 dated 2-2-09 to the Secretary to Government.

x x x x The duties of the office (Head Quarter office) now held by Mr.Yello Srinivasa Rao have of late become very heavy owing to the progress of resurvey and reclassing operations and the introduction of revision settlements. Though somewhat new to the work, which is of a purely technical nature, he has, by steady application and earnestness, obtained a good insight into it, and has been discharging his duties satisfactorily. x x

8. From letter No.131 D/- 10th May 1913 to the Secretary to Govt.

Para 3. Mr.Yello Srinivasa Rao having become a superannuated officer, the question of appointing a successor to him was submitted by me for the consideration of Government long before his retirement as special training is necessary for an officer to hold charge of the Head Quarter office. x x x

Para 6. The Head Quarters office is an important office consisting of about 150 men and a variety of work is being turned out there, and as such, the duties of the officer placed in charge

charge thereof are very onerous. The place is one intended to be held by an Assistant Commissioner, as it is included in the cadre of five Assistant Commissioners allotted to the Department and the previous incumbents in the office were Assistant Commissioners. x x x x x

9. From letter No.67 dated 23-10-16 to the Secretary to Govt.

x x x x x x

Para 3. As regards Mr.Y.Nanjundayya his status as officer in charge of the Survey Head Quarter office has not been clearly defined in the Government order. The appointment in question has been included in the cadre of Assistant Commissioners and when I recommended him for the place, which fell vacant by the deputation of Mr.H.Vyasa Rao, who was an acting Assistant Commissioner it was with the idea that the former would be given the status of the appointment. The office is a very important adjunct of the Survey Department consisting of more than 140 officials and as the officer in charge bears very heavy responsibilities in controlling such a large establishment engaged in a variety of difficult technical operations the appointment has been designedly included in the cadre of Assistant Commissioners. x x x x I may add that Government were pleased in their order No.R.10303-4--L.S.40-15-2 dated 9-5-1916 to recognise the character of the work on which Mr.Nanjundayya was engaged when he was appointed to do duty at the Records office for a period of 3 months during the absence on leave of Mr.H.Vyasa Rao and that his services were recognised as those of an acting Assistant Commissioner for the time.

10. From letter No.115 dated 17-1-17 to the Secretary to Govt.

x x x x x He (Mr.Y.Nanjundayya) is now in charge of an office (the Survey Head Quarters & Records office) the importance of and the responsibility attaching to which can scarcely be exaggerated, as successive Heads of the Department have from time to time brought to the notice of Government. I feel certain that not a rupee will have gone to waste by Government according to Mr.Nanjundayya's prayer. I am particularly anxious that no subdued discontent should be allowed to mar the spirit in which an officer should bear his burden, who has to control

an

an establishment of more than a hundred Karkuns engaged in the highly technical work turned out at the Survey Head Quarter office.

Sir,

I have the honor to forward herewith for favourable consideration and orders a letter received from Mr. B. Muddukrishnappa, Assistant Commissioner on the subject of his pay. His remarkably efficient work in the Survey Department has been briefly described by me in my letter No.131 dated 13-12-22 and I need not repeat anything in that way here. I feel that this is an Officer with merits not commonly found, and beg Government will graciously consider the request he now makes.

Sir,

With reference to Revenue Secretary's letter No. 5172/ C.B 150-22-3 dd 8. 5. 23 to the address of the Superintendent, Rev. Survey, stating that Government regret that the recommendation made by the Superintendent to allow me to draw Rs 300/- in the Assistant Supdtg grade or to grant me a Spl allowance of Rs 50/- p. m. cannot be sanctioned, I beg to submit the following representation for kind Consideration and favourable orders of Government.

In their Order No G 13836-9/ P. P. 161-181-6 dd 9. 1. 19 Government were pleased to give me the pay and rank of an Assistant Commissioner with

effect from 8. 11. 18, the date on which I began working as Assistant to the Director of Civil Supplies in Mysore. In February 19 I was directed to work under the Food Controller who was appointed Director of Civil Supplies also. I continued in this capacity till the end of December 1920 when I was placed in charge of the Current Duties of the Food Controller & Director of Civil Supplies. This responsible charge I held till the end of April 1921 and from 1st May 1921 I was posted as 2nd Assistant to the Revenue Commissioner. In this capacity I worked for 13 months and on 1st June 1922 I was selected for the post of Assistant Superintendent in the Survey Department and have been working as such till now, holding charge of the Head Quarters & Records office.

As an officer of the Rank & Status of an Assistant Commissioner I have been continuously drawing a pay of Rs 250/- p. m. from 8. 11. 1918 i.e. for 4½ years and during this long period I have not been fortunate enough to have had any addition to my pay. The duties I have discharged have however been very onerous & important and it would be no exaggeration to say that the several officers under whom I had the privilege of working

during these 4½ years have spoken in appreciative terms about my work. Government themselves have in their No 519/CB. dt 2.8.21 to the Revenue Commissioner States that they have noted the good work done by me in connection with Food Control. In spite of all this there has not only been no addition to my pay for this long period of 4½ years but I have also been so unfortunate as to lose the allowance of Rs 50/- from 1.6.22 — the date on which I joined the Survey Department — an allowance which Government had been pleased to give me from 2.1.1919 i.e. for nearly 3½ years which, one would expect, should have been added on to pay in view of the long enjoyment and the hard & responsible work done in connection with Food Control which, Government had been pleased to say, would be rewarded.

I therefore beg to request that Your benign Government may be pleased to take the above facts into their generous consideration and order my pay of Rs 250/- being raised to Rs 300/- from 1.6.22 the date of my joining the Survey Department. I beg to add that in the cases of Messrs M. A. Sivaraman, Now Assistant Comptroller, Sheik Abdulla, Assistant Superintendent, Revenue Survey, B. V. Lakshmi-

Rao, Retired G+R Senth Regiment and Several others who were all officers of the Rank & Status of Assistant Commissioners like myself not included in the Cadre. Government have been good enough to show Similar Concession.

I have the honour to be
Sir,
Your Most Obedient Servant
